

Greetings! I am Sharon Arthurton along with Abner JeanPierre, we are the Sponsor Coordinator for the **Albany Youth Soccer** Program. We like to introduce you to the best opportunity the kids of the capital district have to play soccer. We are a 100% all-volunteer organization. The kids learn the fundamentals of the game in a safe, nurturing environment. They also benefit from the physical activity, social/recreational play, and being outdoors.

The number of children enrolled in our program has remained extremely strong, with over 400 kids each season. The games run for 7 weeks on Saturday mornings behind Albany High School in the fall and spring. Through the many years that this program has been successfully running in Albany, we have been able to maintain its' affordability primarily through the generosity of sponsors like you.

Our sponsors can have their business name or logo printed on team shirts which will be proudly worn by a team of 16 players on the soccer field and around town in the community. The **Albany Youth Soccer** Website will have sponsors listed with a link to their Website during and after the season for our community to acknowledge and patronize. Our on-line registrations have increased to 95%!

For your convenience we have attached a Sponsor Form. You can also find additional information on our Website: www.albanyyouthsoccer.org. At the end of the season you will get a plaque showing the players on your team wearing your T-shirts as a keepsake. I hope that you will be able to help us continue this program by sponsoring a team (or two!).

Should you have any questions, please feel free to contact us by [emails: albanyyouthsoccer@gmail.com](mailto:albanyyouthsoccer@gmail.com)

*Many Thanks for supporting **Albany Youth Soccer!***
